

Stand in the Gap

To stand in the gap means to stand before Me, to wait upon Me, listen to Me, and to obey Me explicitly. I am looking for such a man as this.

Bow down and worship Me, the Most High God. Bow down and worship at My feet for I am the Lord your God. You shall have no other gods before Me. Do not bring your gods before Me, but destroy them, willfully, at the altar of sacrifice of Self.

Cleanse your hearts, My people. Wash your feet of sins. Purify your minds. Prepare yourselves for My coming, for I am the soon coming King.

And this is how you purify your hearts—stand in the gap for Me. When you stand in the gap for Me, you are standing in the gap for yourselves and for others. It is a way of interceding for others and even for yourselves.

For as you stand in the gap, I will reveal to you My will and My ways, and to the extent you do them, you will enjoy My peace, My prosperity, My joy, and all of the riches of My Kingdom. I am the King of kings, and the Lord of lords. I am Jesus, the Righteous One, the Holy One of Israel. You are My people, My holy ones. I have called you forth in this hour to stand in the gap for Me. Who will go for Me?
